European Dimension Dissemination and Communication Strategies

Erasmus+

*“Activities serving the dissemination and exploitation of results are a way to **showcase the work** that has been done as part of the Erasmus+ project. Dissemination means to spread widely. This involves spreading the word about the **project successes and outcomes** as far as possible.”*

**The goal of education is
the advancement of
knowledge and the
dissemination of truth.**

John F. Kennedy

DISSEMINATION

Availability to the professional/scientific community

“Disseminate”:
scattering seeds

**Sharing of good
practice**

COMMUNICATION

Giving public visibility

Availability to the civil society

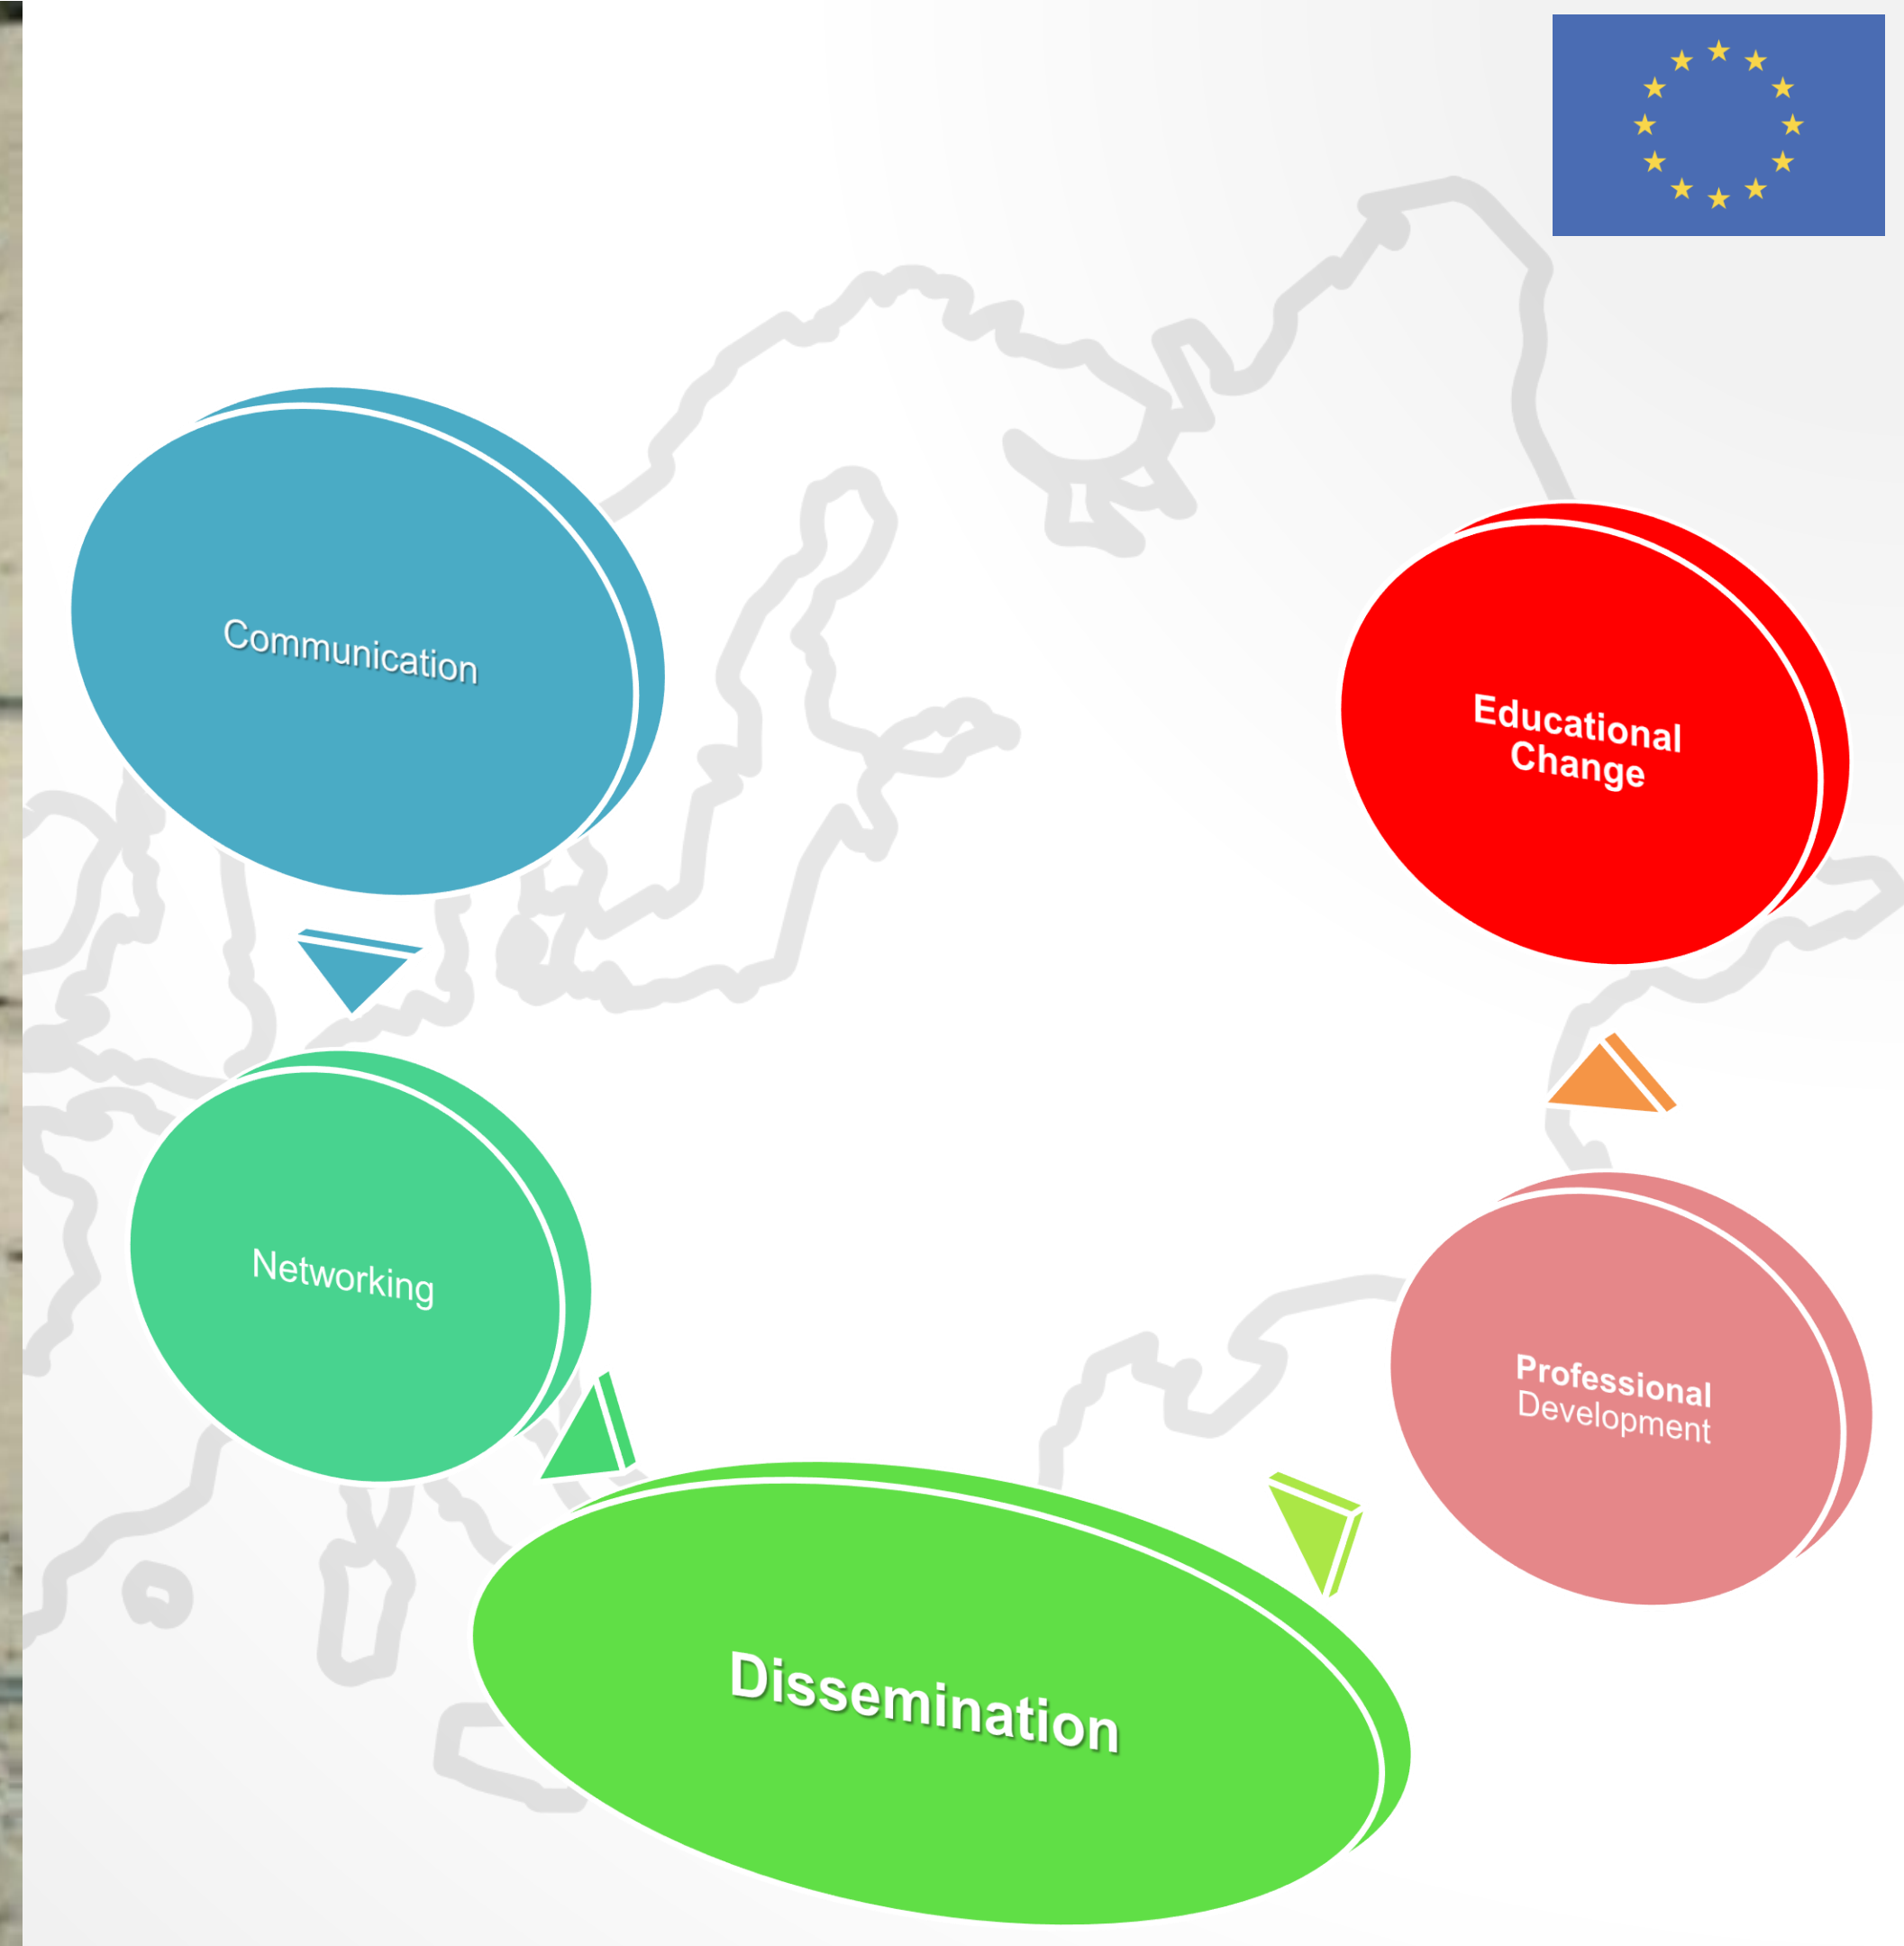

What role do teachers play in the process of professional dissemination?

“To spend your life doing what matters is the greatest of all achievements. Teaching matters”

Karen Katafiasz

Education
is the most
powerful
weapon which
you can use to
change the
world.
- Nelson Mandela

Some inspiring wisdom... 😊

The quill is the tongue of the soul - "La pluma es la lengua del alma."

Miguel de Cervantes

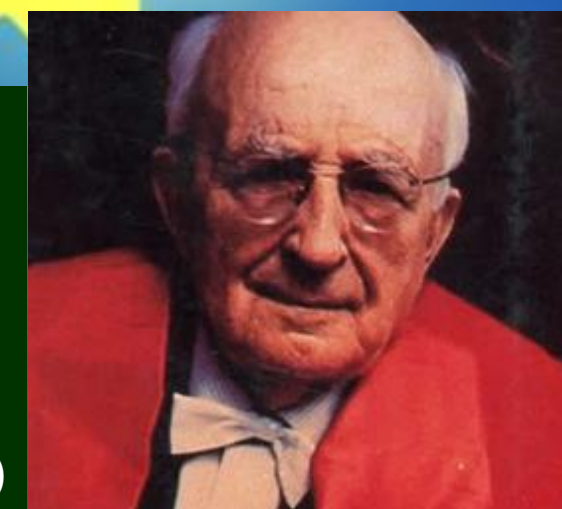

Every child is born an artist. The problem lies in how to remain an artist as you grow up - "Todos los niños nacen artistas. El problema es cómo seguir siendo artistas al crecer"

Pablo Picasso

"This Europe must be born. And she will when Spaniards will say 'our Chartres', English 'our Krakow', Italians 'our Copenhagen', when Germans say 'our Bruges'... Then Europe will live. For then it will be that the Spirit that leads history will have uttered the creative words: ***Fiat Europa***"

Salvador de Madariaga (1948)

Fiat Europa
